

Field Agents required - ScotCall, the UK's largest doorstep collection agency is currently recruiting in YOUR area.

The successful candidates will work a minimum 35-hour week and will be able to accommodate flexible working hours. You will be responsible for negotiating payments and will act as a mediator between the client and customer therefore good communication skills are essential. You may also be required to visit court in order to obtain warrants. Our Agents are responsible for managing their own workload on a day-to-day basis therefore time management and the ability to plan your workload is essential.

Applicants must be literate, numeric and possess basic IT skills; you will also have the quality to work as a team player, which is essential. All candidates must have a checkable work history and own a car and mobile phone.

In return ScotCall will reward you with:

- A competitive salary;
- Excellent benefits;

and provide you with:

- A car allowance & fuel card;
- A mobile phone/handheld pc;
- A desktop PC and broadband allowance.

Experience not essential as full training will be provided.
